**Re:      University of Chicago**  
Case 13-RC-198365

Dear Ms. Clark:

This letter acknowledges receipt of the Petitioner Union's Statement in Opposition to University of Chicago's Request for Review of the Regional Director's Supplemental Decision and Certification of Representation filed in the subject case on April 10, 2018.

The request for review in this matter was due on April 2, 2018. On that date, the Employer timely filed its request for review with the Office of the Executive Secretary. Section 102.67(f) of the Board's Rules and Regulations specifies that "[a]ny party may, within 7 days after the last day on which the request for review must be filed, file with the Board a statement in opposition..." Therefore, under this section, any opposition to the Employer's request for review was due on April 9, 2018. The Union's opposition, however, was filed on April 10, 2018. Accordingly, the opposition is untimely, and will not be considered by the Board.

Very truly yours,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
